Terms and Conditions:

Kindly read the terms and conditions below before finalising your abstract submission for review:

1. Authors cannot submit more than three (3) abstracts.
2. Authors who submit more than one (1) abstract are not eligible to register for one-day attendance. They must register for the entire duration of the Congress. No special exceptions or exemptions will be made under any circumstances.
3. All abstracts submitted will undergo a review process by the Congress Scientific Committee. Acceptance of abstracts is at the sole discretion of the committee, and all decisions are final.
4. By submitting an abstract, Authors consent to the collection, processing, and storage of their personal data for purposes related to the Congress.
5. The Congress organisers are not responsible for any errors, omissions, or inaccuracies in the submitted abstracts. The Author assumes full responsibility for the content of their abstract, including claims, conclusions, and the validity of the data presented.
6. Presenters are required to complete their registration and payment before the deadline, **30 June 2025**, to secure the inclusion of their presentation in the final Congress Programme.
7. Presenters anticipating payment by employers must pay for themselves before the payment deadline date. Refunds will be processed upon receipt of payment from the employer.

By submitting an abstract, you acknowledge that you have read, understood, and agreed to these Terms and Conditions.
